**A PRIVATE SPACE IN A PUBLIC PLACE**

### ETS Re-Circulating Chemical Portable Toilet

The Armal top line portable toilet has a hand pump as standard or a foot pump can be fitted as an option. The Armal portable toilet does not require mains drainage or power.

#### **This portable toilet also includes:-**

- Anchor points to secure the portable toilet to the ground.
- Larger capacity to hold more waste therefore fewer cleans needed than the other smaller capacity portable toilets.
- Triple toilet paper holder.
- Coat Hook
- Urinal

#### **Dimensions (HxWxD):**

106 x 106 x 233cm

**Weight:75kg**

**NO CONNECTIONS  
NEEDED!**

### **OPTIONAL EXTRAS:**

- Hot water sink (which replaces the urinal)

- Cold water sink (which replaces the urinal)

- Sanitizer (which allows you to keep the urinal)

- Sanitizer gel refills
